

Download Chappie The Art Of The Movie

Chappie (stylized as CHAPPiE) is a 2015 American dystopian science fiction action crime thriller film directed by Neill Blomkamp and written by Blomkamp and Terri ...In the near future, crime is patrolled by an oppressive mechanized police force. But now, the people are fighting back. When one police droid, Chappie, is stolen and ...Chappie is a movie that I really enjoyed! I didn't really like District 9, but Chappie was definitely very good in my opinion. I love how they made you feel for this ...Neill Blomkamp could never get his Alien movie off the ground, so he's latching onto another classic sci-fi franchise instead. The District 9 and Chappie director ...
